IMPLEMENTS LIST

- Information about the official list of implements will be provided in the second version of AT Technical Manual.
- Limited number of implements will be available at the warm up field.
- Personal Implements will also be allowed, providing that:
 - They have IAAF certification
 - They are not already on the official list
 - They are in good conditions and the brand is easily recognized.
 - They are made available to all the other competitors until the end of the final

- Personal implements will have to be submitted to TIC the day before the event no later than 18:00.
- For events taking place on the first day of the competition, implements shall be handed in on 21 July 2019 between 13:00-19:00.
- Personal implements will be handed back at the TIC after the end of the respective competition.
- In case the personal implements are rejected, the team will be informed accordingly as soon as possible by the TIC.

VAULTING POLES PROCEDURE

- Each team is responsible for organising the transport of vaulting poles to Baku Airport.
- The OC will provide transport for the delivery of vaulting poles.
- Upon arrival athletes are responsible for taking their vaulting poles to the Welcome Desk at the airport.
- Vaulting poles will then be transported to the training venue by the OC.
- The procedure for handing in vaulting poles is as follows:
 - All athletes collect their vaulting poles at the 'odd sizes' baggage desk before going through customs.
 - All athletes with vaulting poles will hand over their poles to the OC at the welcome desk at Baku Airport.
 - Vaulting poles bags will be tagged with the name of the athlete, country and the discipline/gender.
 - A receipt with the name, country, the discipline/gender, the departure date and time and number of vaulting poles will be given to the athlete.
 - A copy of the receipt will be kept by the OC for the return of the vaulting poles upon departure
 - The OC will deliver the vaulting poles to the training venue.
 - The vaulting poles will be transported to the competition venue the evening before the event at 18:00.
 - After the event the vaulting poles will be transported back to the training venue, so the poles are available for the training the next day.
- The OC will transport the vaulting poles from the training venue to Baku Airport on the athletes' departure date. Athletes will pick up their poles at the transport desk at Baku Airport located in departure hall.
- Volunteers will escort the athletes to the poles.

Warm-up before events

- Warm-up before the events can take place at the Training stadium which is close the competition venue.
- No long throws allowed at the warm-up due to safety reasons (This is to be confirmed by TDs)

CALL ROOM

- There will be two (2) Call Rooms for the participants.
- The Call Room 1 will be located at the training stadium. Call Room 2 room will be located close to the FOP entrance, and can be entered by only the participating athletes of the actual events according to the time table.
- All athletes must report directly to the Call Room 1.
- It is the responsibility of the coaches to ensure that their athletes are aware of the final check-in times for entry to the Call Room 1.
- Athletes arriving late may be excluded from participation in the event.
- Athletes must report to the Call Rooms before each event as follows: (These times may be subject to change):

Events	Call Room 1 - 1st Call (mins before event)	Call Room 1 - Last Call (mins before event)	Leaving Call Room 2 (mins before event)
Races	35	30	10
High jump and horizontal field events	60	55	35
Pole vault	90	85	65

- A more detailed Call Room Schedule will be compiled and announced as soon as the final entries are confirmed. It is possible these times may be changed if the entries require and these changes will be communicated latest the day before the event.
- Control on the compliance with the IAAF Competition and the EOC Advertising Rules will be performed on the following:
 - Competition clothing
 - Shoes
 - Advertising
 - Non-authorized equipment (radio, iPod, mobile phone, camera etc.) will be confiscated at the Call Room 2 and may NOT be taken onto the track/field.

COMPETITORS' UNIFORM CHECK-UP

- All the competitors must wear a national team uniform (IAAF Rule 143.1).
- The rule recommends that the uniform should be the same colour on the front and on the back.
- The uniform will be compared with the team uniform photo submitted before the event.
- The competitors wearing other than the official uniform will be requested to put on the official uniform prior to leaving the call room otherwise they might be excluded from the competition.
- Competitors in relay races must all wear the same uniform.

INSPECTION OF PERSONAL BELONGINGS

- Thorough check of personal belonging will be conducted in the Call Room 2.
- Any personal belonging (such as tape-recorders, radio, mobile phones, MP3 players, video cameras, etc.) forbidden to be taken to the field of play by IAAF rules will be confiscated in the call room.
- All objects confiscated from the competitors will be returned at the TIC after the event.

DIMENSIONS AND NUMBER OF SPIKES (IAAF RULES 143.3 and 143.4)

- The sole and heel of the shoes shall be so constructed as to provide for the use of up to 11 spikes.
- The part of each spike which projects from the sole or the heel shall not exceed 9 mm except in the High Jump and Javelin throw, where it shall not exceed 12 mm. The spike must be so constructed that it will, at least for the half of its length closest to the tip, fit through a square sided 4 mm gauge.

THE SOLE AND THE HEEL (IAAF RULE 143.5)

- The sole and/or heel may have grooves, ridges, indentations or protuberances, provided these features are constructed of the same or similar material to the basic sole itself in the High Jump and Long Jump, the sole shall have a maximum thickness of 13 mm and the heel in High Jump shall have a maximum thickness of 19 mm.
- In all other events the sole and/or heel may be of any thickness.

BIBS

- The OC Athletics Team will provide the teams with bibs at the Technical Meeting.
- Each competitor will receive four bibs.

- The athletes' personal bibs shall be pinned onto the front and back of the competition clothes (except in the case of the jumping events, where one bib may be worn on the breast or back only), on the back of the tracksuit and on the bag.
- The bibs may not be cut, bent or covered in any way whatsoever.
- Each runner in a relay team must wear the bib with the official three-letter country code of his/her national federation on the front.
- On the back the runner must wear his/her personal bib.

HIP NUMBERS

- Athletes competing in track events will also be given two adhesive hip numbers in the call room before entering the field.
- The hip numbers must be secured to each leg of the athlete.

COMPETITION PROCEDURE FINAL CONFIRMATION

- For the first competition day all teams must make final confirmations until 16:00 on 20 July 2019 at the TIC. If their arrival time is later than the indicated time, they have to send the confirmation by email.
- For the other competition days, final confirmation must be made the day before the competition until 09:00, at the TIC.

Track Events

- Running events shall be implemented in accordance with IAAF rules 166.1-7 and shall be decided depending on the number of participants in each event.
- Each country may declare one team for each relay run.
Any four athletes, from among those entered for the competition, whether for that or any other event may be used in the composition of the relay team for any round.
Once a relay team has started in a competition, up to a total of four additional athletes may be used as substitutes in the composition of the team

Field Events

- Qualification standards for the field events will be established by TDs based on the final entries.
- Twelve (12) or more athletes who met the qualification standards will qualify for the finals. In case the number of athletes who met the qualification standards will be less than twelve (12) the group of finalists shall be enlarged with the athletes having shown

the best results in the qualification round. In case of a tie for entering the following round of competitions (a tie at determining the last result coming into the following round) and if two or more athletes have a tie according to the results of the qualification round, the rule 180.22 or 181.8 is used to determine the last eliminatory place for entry if necessary. Provided a tie having been established, all athletes with equal results are qualified for entry in the following (final) round of competitions.

- Starting heights and the raising of the bar in high jump and pole vault shall be established by the TDs and will be announced at the technical meeting.
- The participant must inform the referee of the position of the crossbar he requires for his first trial and this position shall be recorded. If subsequently an athlete wants to make any changes, he should immediately inform the referee before the crossbar has been set in accordance with his initial wishes. Failure to do this shall lead to the start of his time limit.

Failure to participate

- An athlete shall be excluded from participation in all further events (including other events in which he is simultaneously participating) in the competition, including relays, in cases where:
 - A final confirmation was given that the athlete would start in an event but then failed to participate;
 - An athlete qualified in any Qualification Round of an event for further participation in that event but then failed to participate further:
 - An athlete failed to compete honestly with bona fide effort. The relevant Referee will decide on this and the corresponding reference will be made in the official results. The situation referred here will not apply to individual events within Combined Events.
- However, a medical certificate, provided by and based on an examination of the athlete by the EYOF Medical Delegate, may be accepted as a sufficient reason to accept that the athlete became unable to compete, and will be able to compete in further events (except Combined Events individual events) on a subsequent day of the competition. Other justifiable reasons, such as problems with the official transport system, may, after confirmation, also be accepted by the Technical Delegates.

Starting Commands

- Starting commands will be announced in English.

- The following commands will be given at distances up to and including 400m:
 - On your marks!
 - Set!
 - Shot
- At distances including 800 m and longer:
 - On your marks!
 - Shot
- If for any reason the starter feels it is necessary to interrupt the process he will say:
 - “Stand Up”
- False start indicators will be installed on the starting blocks.

Timing

Automatic Timing and a False Start System will be used.

Measurements

- The measurements in all horizontal jumps and throwing events will be done by using electronic distance measurement devices.
- Measurements in vertical jumps will be done with calibrated steel bars.

Authorized Implements

- The TDs have authorized the list of implements used in the competitions, it can be found at the implement list section.
- The OC will provide all authorized implements for trainings and competition. An athlete may use his own implements in case if they do not contravene the appropriate IAAF rule 187.2.
- These implements may also be subsequently used by other competitors.

Markers

- Athletes will not be permitted to use their own markers during the competitions.
- Those athletes wishing to use a marker may only use the markers provided by the OC at the event site.
- Officials will provide adhesive tape for athletes participating in the relays (one mark per athlete) and high jump (two marks per athlete).
- The athletes competing in long/triple jump, pole vault and javelin can use up to two marks.

Competition Preparation

- In track events, and in case the weather allows it, athletes will leave their tracksuits in baskets, before entering the FOP to compete. In alternative, tracksuits will be put in baskets at the start.
- These baskets will be taken to the Kit Collection Area at the finish line.

POST COMPETITION INFORMATION

General Information

- All athletes must leave the infield through the mixed zone.
- In the mixed zone representatives of the media may ask for a brief interview.
- After passing through the mixed zone the athletes move on to the Kit Collection Area.

Order of leaving the arena

- Track events
 - athletes will leave the field of play right after finishing
- Field events
 - In Qualification:
 - Athletes achieving the qualifying standard in a certain round of a horizontal field event, will leave together at the end of that round;
 - Athletes not achieving this standard in horizontal field events, will also leave together, with those eventually achieving it in the 3rd round, at the end of this round;
 - Athletes eliminated at a certain height in vertical jumps, will leave together at the end of that height;
 - Athletes competing until the qualifying height, will leave together at the end of this height.
 - In Final:
 - After the 3rd attempt, in horizontal field events, the athletes not qualified for the 3 last trials, will leave the field of play together at the end of this trial; the athletes competing in the last 3 trials, will leave the field of play together after the end of the final
 - High jump and pole vault: the competitors will leave the field of play through mixed zone, together with other athletes that will be disqualified from further jumping/vaulting at a certain height , at the end of that height.
- In all before mentioned situations, athletes will be escorted to the mixed zone by an official or a volunteer.

Mixed Zone

The athletes having left the mixed zone will not be allowed to go back therein.

General Information

In finals all the athletes shall be presented to the spectators one-by-one before the start. The three (3) medallists may take a victory lap.

TECHNICAL INFORMATION CENTRE (TIC)

- The TIC is located at the competition venue.
- The main function of the centre is to ensure a smooth liaison between each NOC, OC, TDs and the competition management regarding technical matters.
- TIC is located on the first floor, behind of the Media Tribune in competition venue and will be open between 20-27 July 2019. TIC operating hours are as follows:

Period	Hours of operation
20 July	10:00-19:00
21 July	09:00-20:00
22 July	07:30-21:30
23 July	07:30-22:00
24 July	07:30-21:00
25 July	07:30-22:00
26 July	16:00-22:00
27 July	16:00-21:30

TIC Duties

The TIC is responsible for, but not limited to, the following:

- Displaying official communications to the teams on the relevant notice board, including start lists, results and call room reporting times
- Distributing urgent notices to the delegations from the technical delegates and competition management via the pigeon boxes (one for each country). It is the Team Leader’s duty to collect this information regularly on time.
- Collecting technical enquiries from delegations
- Receiving final confirmations
- Distributing and receiving relay order confirmation forms
- Distributing special passes the day before the respective event, according to start list
- Registering and collecting personal implements (shot put, etc.)

- Managing national record doping control requests
- Receiving withdrawal forms
- Managing written appeals
- Communicating the victory ceremonies schedule
- Distributing items confiscated at the Call Room

INTERNATIONAL AND NATIONAL TECHNICAL OFFICIALS

- European Athletics will appoint six (6) ITOs, five (5) Race Walking Judges, one (1) Chair of Jury Appeal for AT competition.
- NF will provide NTOs for AT competition.

CLOTHING AND ADVERTISING

- In accordance with the EYOF Charter, Rule 20 and By-laws to Rule 20a no form of advertising or publicity may appear in any form whatsoever on clothing, accessories or, more generally, on any item of clothing or piece of equipment worn or carried by the delegations and organisers during EYOF, with the exception of the manufacturer's identification and logo, as stipulated in rule No. 50 of the IOC Charter. All violations of the provisions of this clause shall lead to disqualification and the withdrawal of the accreditation of the person concerned.
- The only exceptions are a graphics or graphics elements of the manufacturer's brand identification that may exceed the restricted size; e.g. three stripes (and similar cases of "commercial brand graphics element") as well as other Product Technology Identifications such as "Goretex" and Dryfit" and similar cases having direct relation to the clothing identification. In this case it is strongly advised to send pictures featuring such branding to the EYOF Manager (TBA) for review and official approval.
- The NOCs are requested to bring a sample of the competition uniform to the first Technical meeting of each sport for final check in order to avoid any problems on the field of play.
- The official uniforms of the NOCs may include:
 - Symbols of the country (name of the country, national flag, emblem, etc.)
 - Emblem of the NOC
 - Logo of the EYOF Baku 2019
 - Emblem of the respective National Sport Federations
- Please note that the NOC is responsible for the appearance of the official uniforms. For more details please refer to the Rule 50 and By-laws to Rule 50 of the IOC Charter and

the EYOF Rules on Advertising, Demonstrations and Propaganda, applicable to the EYOF 2019 in Baku.

RESULTS

The results will be published in English. The programme for the following day will be made available at the NOC Service Centre at Athletes' Village, in the competition venues at the TIC as well as at the official EYOF Baku 2019 website.

PROTESTS

- Protests and appeals are permitted and will be processed in accordance with IAAF Rule 146. In the first instance, protests must be made orally to the Referee by the athlete himself/herself or by someone acting on his/her behalf or by an official representative of a team (Rule 146.3). Such person or team may protest only if they are competing in the same round of the event to which the protest (or subsequent appeal) relates.
- Where the appropriate Referee is not accessible or available, the protest should be made to him through the TIC. Protests concerning the result or conduct of an event shall be made within 30 minutes of the official announcement of the result of that event (posted on the TIC information board).
- If the Referee makes a decision a written appeal can be submitted to the Jury of Appeal also through the TIC. Protest forms can be obtained from TIC.
- Any written appeal to the Jury of Appeal must be made in accordance with Rule 146.7 and signed by a responsible official on behalf of the athlete and submitted to TIC within 30 minutes after the official announcement of the decision made by the Referee, or of the advice being given to those making the protest, where there is no amendment of any result.
- When submitting an appeal form, the rules require the payment of a 75 Euro (or equivalent in local currency) deposit. If the protest is unsuccessful, the deposit will not be returned. The jury's decision will be provided in writing. OC can only accept cash payment.

WITHDRAWAL

- Withdrawals after final confirmation, have to be submitted, on the official Withdrawal Form, to the TIC.
- If the athlete is entered in another event of the competition, the reason for the withdrawal has to be specified in detail and confirmed by the Medical Delegate of the OC; its acceptance being the responsibility of the TDs based on the IAAF Rules.

EXCLUSION OF ATHLETES

As set out in Competition Rule 142.4, competitors will be excluded from all further events in the EYOF including relays in the following cases:

- If their participation in an event was confirmed (and the confirmation was not cancelled before the deadline of the confirmations) but they failed to take part without giving a valid reason. Normally that reason should be confirmed by the Medical Delegate or the official Doctor of the competition. The reason for not participating must be submitted to the TIC prior to the Call Room deadline for the event.
- If they qualified in a preliminary round of an event but failed to take part in the next round without giving a valid reason. The reason for not participating must be submitted to the TIC prior to the Call Room deadline for the event. The justification of the reason for not participating in all cases must be approved by the TD.
